ARTIFICIAL INTELLIGENCE RESEARCH LABORATORY (AIR LAB)

DEPARTMENT OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY (CSIT)

NED UNIVERSITY OF ENGINEERING & TECHNOLOGY, KARACHI

DOCUMENT & DATA HANDOVER REQUISITION

1. LABORATORY PERSONNEL BASELINE	
Faculty Coordinators	Verified list of approved faculty supervisors and academic leads for verification.
Current Research Cohort	Active registered research interns currently inducted for the current academic session.
Alumni Registry	Total count and records of former inducted research interns and thesis scholars.

2. ACTIVE RESEARCH GRANTS & SPONSORED PROJECTS	
Grant Program Title	Official approved project nomenclature as registered in the funding contract.
Funding Agency	Granting authority (e.g., HEC NRPU, Ignite National Technology Fund, Industry Partners).
Sanctioned Budget	Total allocated financial grant value in PKR or USD.
Tenure & Milestone Status	Execution timeline (start/end dates) and formal operational status (Active / Completed).

3. STRATEGIC PARTNERS & SPONSORING ORGANIZATIONS	
Entity Identification	Official legal or organizational name of sponsoring and collaborative bodies.
Institutional Insignia	Official vector (SVG) or master-resolution transparent PNG emblem/logo file.
Institutional URL	Official primary web domain for external organizational reference.

4. RESEARCH PERSONNEL DIRECTORY	
Full Official Name	Full legal/academic name of member, designation, and academic department.
Official Photograph	High-resolution formal headshot portrait against a neutral or clean background.
Professional Links	Active LinkedIn profile URL and official university institutional email address.
Domain Specialization	Core technical expertise tags (e.g., NLP, Computer Vision, SLAM, Embedded AI).
Induction Tenure	Exact appointment tenure: Start Date to Present (or formal conclusion date).

5. OFFICIAL INSTITUTIONAL CONTACT INFORMATION	
Central Inquiries Email	Official lab correspondence email address for student and partner communications.
Office Physical Location	Departmental room/suite number, building block, and campus address details.

6. APPLIED AI SYSTEMS & PROJECTS PORTFOLIO	
Lifecycle Status	Classification: "Ongoing" (currently in development) or "Finished" (concluded benchmark).
Project Execution Period	Formal development timeline including commencement month and conclusion date.
High-Resolution Media	Primary representative system screenshot and up to 3 technical figures/demonstrations.
Associated Grant Source	Corresponding research grant or funding scheme supporting the project pipeline.

7. PEER-REVIEWED SCIENTIFIC PUBLICATIONS

Paper Title & Authorship

Complete title and full author list in exact published sequence.

Publication Venue & Year

Indexed conference or journal acronym, formal name, and publication calendar year.

Permanent Identifiers

Registered Digital Object Identifier (DOI) and direct link to official camera-ready PDF.

Document Purpose: Handover Specifications for Official Laboratory Portal Records.
